Certificate in Essential GCP

Helmut Schweiger

has successfully completed the online training programme on ICH GCP E6(R2) v16.1 entitled

“Essential Good Clinical Practice”

and has passed the online examination for the Certificate in Essential GCP

The five modules on ICH GCP E6(R2) dated 9 November 2016 covered the principles of GCP and the fundamental requirements relating to subject protection (ethics/consent), safety reporting, study protocol, data recording, investigational product, trial documentation, retention and archiving

Signed:

Professor David Hutchinson, Academic Dean

Date of examination: 9 March 2017
Certification valid for two years

Certificate number: EGCP17/1918

The course has been awarded 6 Continuous Professional Development credits (equivalent to 6 hours) by the Faculty of Pharmaceutical Medicine of the Royal Colleges of Physicians of the United Kingdom. *This ICH E6 GCP Investigator Site Training meets the Minimum Criteria for ICH GCP Investigator Site Personnel Training identified by TransCelerate BioPharma as necessary to enable mutual recognition of GCP training among trial sponsors.*
