Helmut Schweiger

has attended the

DIA 29th Annual EuroMeeting
29-31 March 2017 at the SEC, Glasgow, UK

DIA meetings are accredited by the SwAPP (Swiss Association of Pharmaceutical Professionals) Commission for Professional Development (CPD) and SGPM (Swiss Society of Pharmaceutical Medicine).

The 29th Annual EuroMeeting has been awarded 16 CPD credits from the Faculty of Pharmaceutical Medicine (FPM) of the Royal College of Physicians (RCP) of the UK. Medical practitioners who are eligible for credits can click on <http://www.fpm.org.uk/cpd/registration> for more information. If you are already a CPD member, please go directly to <http://cpd.fpm.org.uk> to claim your credits.

A handwritten signature in blue ink, appearing to read 'Holger G. Adelmann', is written over a faint, light blue circular watermark.
